Conservation Partners Pledge Form

By working together, CONSERVATION PARTNERS of the Downeast Salmon Federation are positively impacting the environmental health of our rivers. As the Downeast Salmon Federation works to improve important habitat, restore fisheries, and provide recreational access and educational programming, you have an opportunity to partner with us through a number of ways:

- **Sustaining Members**
  Commit $10,000 or more of annual support each year.
- **Keystone Members**
  Commit $5,000 or more of annual support each year.
- **Forever Wild Members**
  Commit $2,500 - $4,999 of annual support each year.
- **Watershed Members**
  Commit $1,000 - $2,499 or more of annual support each year.

Through these higher level giving societies, you will be instrumental in supporting the restoration of critically endangered Atlantic salmon habitat, increasing outreach and support for the rejuvenation of numerous other wild fish species, and providing access to recreational opportunities throughout the region.

Please see our website for other ways of support such as the DSF Legacy Giving program, and Gifts of Stock. Go to www.mainesalmonriverw.org/donate. For donations of tangible property (equipment, vehicles, boats etc.) please contact dsf@mainesalmonrivers.org.

In support of the Downeast Salmon Federation I am pleased to commit a total sum of $_____ annually. This donation is to be designated toward:_____;
Other: _____

I wish to pay: $_____in full now; OR in_____monthly payments of $_____;
OR please charge my_____MC_____Visa_____Discover Card
